

## Digital Signage

By purchasing Creation Networks Digital Signage, you've invested in a powerful system that will help your organization operate and communicate more effectively. Our CreationCare support plan was developed to help you protect your investment and maximize its value over the years to come.

CreationCare provides ongoing expert support for your system and helps you leverage your technology to its fullest potential. As a CreationCare member, you can rest assured that your critical assets are supported by our dedicated team.

## DIGITAL SIGNAGE

### DIGITAL SIGNAGE ENGAGEMENTS

#### PLAYER SOFTWARE

Carousel is priced based upon number of players in the system. A player license, CAR-LIC, is \$500 list price. This includes the server software as well as the player software.

#### HARDWARE

Player hardware price options:

- BrightSign XT1144 - \$675
- BrightSign XD1034 - \$575
- BrightSign XD234 - \$475
- BrightSign HD223 - \$375
- BrightSign LS423 - \$280
- BrightSign HO523 - \$425
- Apple TV 4k - \$179

#### BASIC SUPPORT FOR PRODUCTS

As a CreationCare member, you'll also have access to basic support services for installed products integrated by Creation Networks. Our support team can provide remote diagnostics, troubleshooting, and training on components, and can connect your organization with our manufacturers for warranty-related coordination.

#### CONTENT CREATION SERVICES

- Installation support
- Training and channel creation services
- 5 Hours Content Creation - Call
- 10 Hours Content Creation - Call

## THE LATEST FEATURES AND CAPABILITIES

### FREE SOFTWARE & FIRMWARE UPDATES

With CreationCare you'll receive free access to all updates within your current major version release of firmware & software, so you won't have to wait to leverage the latest features.

### DISCOUNTED SOFTWARE UPGRADES

CreationCare provides members with discounts on all major upgrades to the AV system. When a major upgrade is deployed, your team will be provided with a remote training session to review new functionality and features.

## LONG-TERM BENEFITS

### WARRANTY EXTENSION

When you buy up to three years of CreationCare with your initial system purchase, we'll extend your warranty period by the same number of years as your CreationCare package. This warranty extension covers all supported manufacturers products.

### DISCOUNTED RATES ON ADDITIONAL SERVICES

As a CreationCare member, you will be billed at a lower rate for any on-site trips, programming, and maintenance that falls outside of the scope of your service agreement.

### PRIORITY ACCESS TO SERVICE STOCK

CreationCare membership provides your organization with priority access to on-site spares or the support team's stock of replacement parts.
